## WEEKLY REFLECTION

by Lisanne Jensen

Our second reading this weekend comes from St. Paul's first letter to the Christian community of Corinth and emphasizes the importance of unity: I urge you, brothers and sisters, in the name of our Lord Jesus Christ, that all of you agree in what you say, and that there be no divisions among you, but that you be united in the same mind and in the same purpose.

The word "unity" derives from an Old French word meaning "uniqueness" and "oneness," and it also has roots in the Latin *unitatem*, meaning "sameness" and "agreement." In theological terms, "unity" also refers to the three persons of the Holy Trinity: Father, Son, and Holy Spirit. At the beginning of Mass, priests pray an opening prayer called the Collect, which describes this sacred oneness: "... through our Lord Jesus Christ, Your Son, who lives and reigns with You in the unity of the Holy Spirit, God forever and ever."

This letter from St. Paul is a beautiful and fitting message to begin Catholic Schools Week, where our theme this year is "United in Faith and Community." From Sunday, January 25th through Saturday, January 31st, we will celebrate and reflect on what brings us all together as well as what makes us unique and special. Here at Blessed Sacrament, we are united as one family in faith – part of the Body of Christ – and are partners in ministry as well as academics.

If you enjoy baking and have ever made bread from scratch, you know that separate ingredients such as flour, yeast, water, and salt are added to one large bowl. When everything comes together and the bread is formed, you can no longer see each separate ingredient. You now have one new creation: a loaf of bread. In the same way, we are all greater when we come together "in the same purpose": standing united in faith and community with God always at the center of our lives!

Let us continue to pray for our united church and school community. We have much to celebrate and are blessed indeed!

-Grade 6 students have also been exploring science by extracting DNA from strawberries!

-Pre-K 3 is working on dexterity skills in STEM class while also being imaginative engineers!

-First grade recently did a Skittles experiment in STEM class and found out that Skittles are soluble in water. The warm water group’s color dissolved faster to make beautiful colors.

### FROM FATHER DAN ABOUT WORD OF GOD SUNDAY

This Sunday, now known as "Word of God Sunday", is a day we focus on the Scriptures as one of the two bedrocks of our Christian Faith, along with Tradition. And the Word of God is only effective when it gets out of the printed book and into our ears, out into the world to be heard. It comes into our ears, it takes its place in our minds, but it comes into our souls! Hearing the Word of God regularly, it can grow inside of us. The parables, such as of the Prodigal Son, or the Seven Last Words of Jesus from the Cross, or the poetry of the Psalms, take root and become guidance for us, applicable to so many daily situations in our lives.

At Vatican II, the bishops proclaimed: "after speaking in many and varied ways through the prophets, "now at last in these days God has spoken to us in His Son" (Heb. 1:1-2). For He sent His Son, the eternal Word, who enlightens all men, so that He might dwell among men and tell them of the innermost being of God (see John 1:1-18). Jesus Christ, therefore, the Word made flesh, was sent as "a man to men." He "speaks the words of God" (John 3:34), and completes the work of salvation which His Father gave Him to do (see John 5:36; John 17:4). To see Jesus is to see His Father (John 14:9).

It is everyone's responsibility, as the Prophets of old, to proclaim to others what we hear from God. But we do have Readers and Lectors who have special responsibility to bring to life, by their voices and storytelling gifts, the Words of the Scriptures, the Word of the Lord. The priests and deacons of the parishes, though they love being proclaimers themselves, are thankful for all those who have been willing to be lectors at Masses, on Sundays and throughout the week. Please pass on your thanks to them as well, as this weekend we bless our parish's lectors! And may we all put our voices at God's service, whether we are lectors at Mass or not.
